Jesus in the Gospels *Illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus' call to discipleship. Some of our Annual ADVENT & LENTEN Studies

Movies and the Cross ~ *Themes shared in both scripture and film, merged together to study God's presence with us in Jesus Christ's passion over 2000 years ago and still today on the journey of faith through sacrifice and love.*

Journey to Bethlehem ~ Adam Hamilton *Using historical information, archaeological data, and a personal look at some of the stories surrounding the birth, the most amazing moment in history will become more real and heart-felt as you walk along this road.*

The God We Can Know ~ RobFuquay *One by one, Jesus' statements grab our imagination, reveal more about his identity and purpose, and connect us to the God of Moses, who spoke the first "I Am." These significant yet ordinary images (bread, light, shepherd, vine, and more) give us insightful ways to experience Jesus and point us to a God who wants to be known.*

Jorge Acevedo *As you sent me into the world, so I have sent them . . . —John 17:18 God sent Christ into the world as our Savior. That's what Christmas is all about. In turn, Christ sends us into the world. But do we really understand how, where, and why we are sent? This five-week, churchwide Advent study challenges us through story, art, and Bible study to discover what it means to be Christ's hands, feet, head, and heart.*
